

Teachers entering students for the first time in the Beal Bank Dallas Regional Science & Engineering Fair can win too!

Fluor First Awards

Teachers eligible for Fluor First Awards will not have entered students in the DRSEF during the previous 3 fairs. Winning depends on how many students you enter and how well they perform at the fair. All public and private school students, grades 7-12, from Collin, Dallas, Ellis, Fannin, Grayson, Hunt, Kaufman, and Rockwall counties (TEA Region 10) who are winners at a school fair are eligible to be entered in the DRSEF.
