

## 2013 Fluor First Awards

This year's Science Fair quest began in August 2012, with the Fluor Science Fair workshop hosted by the Physics Department of Southern Methodist University.

Around 90 teachers from local public and private schools attended, including many new to Science Fair. Over 20 DRSEF winning students also came to display their projects.

To encourage teachers from schools entering their students in the DRSEF for the first time in 2013, the Science Fair Teacher Award Committee is also recognizing two teachers with Fluor First Awards for their initiative and their commitment to students. They were selected by the number of their students who entered and placed.

Fluor and the Fair are proud to honor these teachers:

### Middle School

Rebecca Hobbs

Our Redeemer Lutheran School

Private

### High School

Cliff Moran

Turner High School

Carrollton-Farmers Branch ISD
